### **2.Placing an order and our acceptance**

2.1 When making a request to do an online payment, the language that will be offered to you for conclusion of this process, will be in English only.

2.2 When submitting your request to subscribe to the BMJ and/or Student BMJ, you will be asked to indicate where you are ordering from and which type of subscription you require. For print and print and online subscriptions, this will be for a period of 12 months, unless Clause 2.5 below applies. The 12 months will start in accordance with Clause 2.4 below. If you wish to cancel any subscription, you will have no contractual right to do so and acceptance of that cancellation request shall be at our discretion and if accepted, may be subject to a cancellation charge.

2.3 After indicating what kind of subscription you require, you will then proceed to an alternative screen detailing the price and we will request your location details and we will request your credit card details for an online payment. Included on these screens will be the total price for the subscription for the period requested including VAT (if applicable) and UK/International delivery charges. You will be asked to confirm that you have read these terms and conditions. When you do submit your request for payment to be authorised by whatever means, you are making an offer to purchase a subscription, which we may accept or decline. For online payments, after you submit your offer, for online orders our online payment provider and/or us will send you an email confirming receipt of your payment request. We may at that time allow you to have temporary access online to the journal(s) you have asked to subscribe to, from the terminal you submitted the order from, but this is a gesture of goodwill, and does not represent acceptance of your offer.

2.4 Your online payment will then be processed by us and we will confirm if your payment is not validated. A binding contract comes into effect between us when we email you your online password (if applicable) or if we have not contacted you within 10 working days of you submitting your order (whichever is earliest). We have included this term to protect us in the case that a mistake has been made in pricing on the website, if we have inadvertently under-priced goods, or we are no longer able to supply a particular product for some reason. In the case of a change of price, we will always contact you first to ensure that the price is acceptable - see Clause 4 below. If accepted, delivery will be made to you as specified above.

2.5 Subscriptions are supplied subject to availability, remaining in current circulation and journals continuing to be owned by us. In the event that we are unable to supply any subscriptions for the agreed term, we will inform you as soon as possible and provide you with a pro rata refund in the event that you have paid for a period for which we cannot comply. We will not however be liable for any other direct or indirect losses nor any losses (as set out in Clause 6), caused as a result of not being able to supply you with the subscriptions for all or any of the periods subscribed to. This does not affect your statutory rights.

### **3. Your Account Details**

If your print and online subscription is accepted, you will be responsible for maintaining confidentiality of your online account and password, restricting access to your computer and/or prevent unauthorised access to your account. You agree to take responsibility for all activities that occur under your account or password. 4.2 Whilst we try to ensure that all of our prices on our website are accurate, errors may occur. If we discover any error in the prices of the subscriptions you have ordered, we will inform you as soon as possible and give you the option of recommencing your order at the correct price or cancelling it. If we are unable to contact you we will treat the order as

cancelled. If you cancel for this reason and we have already processed your payment, you will receive a full refund.

4.3 Payments may be made through this method specified on our payment options section prior to concluding the transaction. We take all reasonable precautions to keep the details of your order and payments secure, however unless we are negligent, we cannot be held liable for losses caused as a result of unauthorised access to the information provided by you.
